

## Aaron Shum Jewelry 'Soul Carousel' Exclusive Preview

Aaron Shum Jewelry partnered with Reena Ahluwalia and Swarovski is going to release a new jewelry line called 'Soul Carousel' - It is top on fashion, colorful, interactive and interchangeable jewelry collection. The natural diamond jewelry pieces are patented and have multi-layered, spinning forms that can easily be detached to be worn in multiple-ways. The collection is an explosion of color, and uses Swarovski® Created Stones in a hyper-energized rainbow palette. The collection has a worldwide patent and design copyright. It has used a combination of natural diamonds with Swarovski® Created Stones to add a punch of color, volume and provide an unmatched price point to retailers worldwide.

Check out the video preview of the product:
