**The final stage of
“JMA International Jewelry Design Competition 2017”**

“
The final stage of “JMA International Jewelry Design Competition 2017” was held successfully on 16th September, 2017 at HKCEC.
”

In 2017, the Hong Kong Jewelry Manufacturer's Association is entering its 29th anniversary. It makes the theme “TRESOR” more meaningful on the occasion of the approaching 30th anniversary. A magnificent jewelry can always be a kind of art treasures. Let us cherish what we now have: our time, our life, our nature, our love, our honor, and even a fleeting smile. They are a gift worth treasuring.

The competition is to act as a global platform for potential designers to exchange creative ideas and promote design excellence in the jewelry industry. This year, we have received nearly 300 pieces of entries. Contestants from 12 countries and regions including Hong Kong, Mainland China, Taiwan, Japan, Korea, Singapore, India, Spain, Canada, Israel, Dubai and Saudi Arabia have participated in the competition.

We have 【Open Group I】 , 【Open Group II】 and 【Computer Aided Design】 . Designers are welcome to participate in every category to present their own exquisite masterpieces. Apart from the award of Champion & 3 Merit Awards in each group, “Best Market Value Award” and “Best Craftsmanship Award” will be chosen by the judging panel with criteria in concept express, sense of beauty, sales potential and creativity.
